Hi Bill,

The committee looks forward to hearing from you at its first open session on July 16th. The draft agenda including locations and timing is attached.

Before the meeting, I need three things from you:

- 1) <!--[if !supportLists]--><!--[endif]-->Attached, find a draft biography we have on file. Please let me know if you have any corrections.
- 2) <!--[if !supportLists]--><!--[endif]-->Attached, find a copyright permissions form. You may strike out any portions of the agreement which you do not wish to make, and may check any number of the boxes, in addition to signing the document. I know this form is not as very applicable to government employees working in their official capacity, but we are required to request your signature.
- 3) <!--[if !supportLists]--><!--[endif]-->Please send us your presentation. If you want it included in the meeting book, we will need it by July 10th. If it is not complete by that time, we would appreciate it by the 15th, so we can be prepared to present it on the 16th. We can always accept last minute changes, but prefer to have a file ahead of time.

I hope you are able to take the holiday this week, and I look forward to seeing you in a few weeks.

-Beth
